

PARENT PLEDGE OF COMMITMENT

(for Parents of Sacramental Preparation Students Only)

I, _____, parent of _____
in the _____ grade, promise to help be a guide for my child's
spiritual journey through this **two year** sacramental preparation.

- _____ **1.** I understand that my child and I **must attend the 10:30 a.m. Holy Mass after CCD Class.** Mass will count as part of their class attendance.
- _____ **2.** I understand that my son/daughter must attend classes each week and that they may **not** have **more than 3** absences. If they fail to meet this I understand that I am choosing to limit my child's understanding of receiving their sacrament.
- _____ **3.** It is my understanding that this is not the end of my child's faith journey but just a step until they can continue on as adults in our faith.
